- 5.1. The equity shares of the Company are listed on National Stock Exchange of India Limited (“NSE”) and BSE Limited (“BSE”). The equity shares are “frequently traded” in terms of the SEBI ICDR Regulations and floor price has been determined to be the higher of the floor price arrived at in accordance with SEBI ICDR Regulations and the provisions of the articles of association of the Company, (i.e., basis the price determined by the valuation report of a registered valuer, which valuation report is available for access by the members at the following link https://assets.kimshospitals.com/docs/production/Pref_valuation_report_1781535110.pdf). Further, NSE, being the stock exchange with highest trading volume during preceding 90 (Ninety) trading days has been considered for the purpose of determination of equity shares of the Company being “frequently traded” in terms of the SEBI ICDR Regulations.
- 5.2. In terms of the SEBI ICDR Regulations, in case of frequently traded shares, the floor price/minimum issue price at which the Warrants (fully convertible into equity shares) can be issued is ₹ 778.80/- (Indian Rupees Seven Hundred and Seventy Eight point eighty) per Warrant, as per the pricing formula prescribed under Regulation 164(1) of the SEBI ICDR Regulations for the Preferential Issue and is the highest of the following:
 - (a) 90 (Ninety) trading days volume weighted average price (VWAP) of the equity shares of the Company preceding the Relevant Date: i.e., ₹ 699.84/- (Indian Rupees Six Hundred and Ninety-Nine point eight four) per equity share;
 - (b) 10 (Ten) trading days volume weighted average price (VWAP) of the equity shares of the Company preceding the Relevant Date: i.e., ₹ 778.80/- (Indian Rupees Seven Hundred and Seventy Eight point eighty) per equity share; and,

- 5.3. The valuation report obtained from Mr. Bhavin R. Patel, independent registered valuer, is available on the Company’s website and is accessible at link https://assets.kimshospitals.com/docs/production/Pref_valuation_report_1781535110.pdf

- 5.7. As the equity shares of the Company are frequently traded and the issue price is determined in accordance with Regulation 164(1) of the SEBI ICDR Regulations and since the Proposed Preferential Issue is not expected to result in a change in control or allotment of more than 5% (five per cent) of the post issue fully diluted share capital of the Company, under applicable provisions of the SEBI ICDR Regulations, the Company is not required to obtain a valuation report from an independent registered valuer and consider the same for determining the price. Separately, pursuant to the requirements of the proviso to Regulation 164(1) of the SEBI ICDR Regulations, which requires the Company to consider any other method of determination of the floor price prescribed under the Company's Articles of Association if the resultant floor price is higher than the floor price computed in accordance with Regulation 164(1) of the SEBI ICDR Regulations, read along with Article 17(1)(f) of the Company's Articles of Association, which requires a valuation report by a registered valuer for a preferential allotment of the Company's securities, the Company has also considered the price determined by a registered valuer and the Proposed Preferential Issue does not involve an issuance at a price below such valuer determined price.
- 5.8. Further, given that the equity shares of the Company have been listed for a period of more than 90 (Ninety) trading days prior to the Relevant Date, the Company is not required to re-compute the issue price as per Regulation 164(3) of the SEBI ICDR Regulations.
